### COVID 19 VACCINATION CONSENT REQUEST POLL

We have been receiving fast-moving information regarding the possibility of the imminent release of the COVID 19 Vaccination. We believe that once released things will move very fast. With this in mind, we are trying to get ahead of the rush by asking which Resident will consent to have the vaccine. Unfortunately, since the vaccine is not yet approved by the FDA, we cannot yet request signatures of consent. This request is simply to find out who wishes to have the vaccine so that when it is approved by the FDA we can move immediately.

We will be attempting to reach each person listed as Emergency Contact #1 for each Resident by phone. However, if for whatever reason we do not speak with you directly, please contact the facility with the requested information using one of the options below ASAP:

- Facility phone – (315) 656-7277; from 8 am – 8 pm you may leave a message with the Receptionist. Any other time you may leave a voicemail for the Social Worker at extension 14020
- Email – [ypolatoff@onondagacenter.net](mailto:ypolatoff@onondagacenter.net)

➤ Your name \_\_\_\_\_

➤ Residents' name \_\_\_\_\_

➤ Intend to consent to receiving COVID 19 Vaccine

- Intend to decline COVID 19 Vaccine
- Undecided and would require additional information before I can consent or decline and will wait for additional information to make an informed decision.

Thank you for taking the time to help us prepare for the upcoming COVID vaccine distribution so that we may have a fluid response following FDA approval.

Best wishes,

Yudi Polatoff, LNHA, Administrator

Suzanne Reid, RN, Director of Nursing
